

We are hiring!

Are you ready to take the next step in your career in the medical device industry? At Teleon Surgical, we are a fast-growing international company dedicated to improving patients' vision every day. To strengthen our team, we are looking for a Clinical Affairs Manager who wants to make a real impact.

Clinical Affairs Manager (f/m/d)

Location: Berlin - Tegel

Your role

In this role, you will take ownership of the clinical evidence process—from planning to execution and monitoring. You will develop clinical strategies, perform clinical evaluations and literature reviews, and support post-market surveillance activities. You will also oversee clinical studies and ensure compliance with relevant regulations.

You'll work closely with colleagues from Quality, Regulatory, R&D, and Marketing, and play an active role in improving our Clinical Affairs processes.

Your profile

You are analytical, detail-oriented, and comfortable working in a regulated environment.

In addition, you bring:

- Solid knowledge of clinical research regulations involving human subjects
- Experience with data analysis and scientific writing
- At least 5 years of experience in ophthalmology and/or implantable medical devices
- Bachelor's level (or equivalent) working and thinking
- Fluency in English. German is a plus.

What we offer

At Teleon, we believe in growing together. We offer:

- A permanent position in a future-oriented industry
- Flexible working hours and hybrid working options
- 30 days of vacation
- Opportunities for personal and professional development
- Attractive benefits package
- A collaborative, international team with short lines of communication

About Teleon

At Teleon, we value development. Not only of our innovative products but also of our employees. We are proud to offer all our employees the opportunity to grow and develop further as professionals. This is one of the many reasons why so many of our employees enjoy working here and are building long and successful careers with us.

The organization

Teleon Surgical B.V. is a dynamic, innovative company specializing in state-of-the-art Intraocular Lenses and accessories for eye surgery. We have a dedicated team of 170 international professionals working at our two locations in Berlin and Spankeren (near Arnhem). Our long experience of over 30 years in the intraocular lens industry, coupled with our own in-house R&D division and state-of-the-art production facility in Netherlands, makes us a leading player in the development of technological solutions for eye surgery.

Curious, but need more information?

Send your questions or your application by e-mail to jobs@teleon-surgical.com. Will you become the next member of our enthusiastic team?
