

We are hiring!

Are you ready to take your career to the next level in the medical device industry? Teleon is an international fast-growing, dynamic company that strives for better vision for patients every day. We are looking for you. Innovation, customer proximity and flexibility are the hallmarks of Teleon Surgical and are part of our corporate culture. As the trusted partner of ophthalmic surgeons, we distribute innovative high-tech products for intraocular surgery.

Clinical Affairs Manager (f/m/d)

Location: Berlin

Your role

As part of our Clinical Affairs team, you will have the exciting opportunity to plan, monitor, and execute the clinical evidence process. You will get to develop clinical strategies, conduct clinical evaluations including literature searches, and contribute to post-market surveillance. You will also get to conduct and supervise clinical trials and monitor our compliance with relevant laws, regulations, and guidelines. You will work closely with the Quality Affairs, Regulatory Affairs, R&D and Marketing departments. You will be proactive, thinking along with the organization and proposing improvements to Clinical Affairs.

Your profile

You are well-versed in the regulations and requirements for conducting clinical research involving human subjects. You have a keen eye for detail, an affinity for clinical data analysis and scientific writing. Your analytical skills and strategic thinking guarantee adherence to the clinical evidence process. Do you also have at least five years of experience in the field of ophthalmology and/or with implantable medical devices, an HBO working and thinking level, and fluency in English, both spoken and written? If so, you are the perfect addition to our team! If you have other qualities that may be applicable, we would love to discuss them with you.

What we offer

At Teleon, we value development. Not only of our innovative products but also of our employees. We are proud to offer all our employees the opportunity to grow and develop further as professionals. This is one of the many reasons why so many of our employees enjoy working here and are building long and successful careers with us.

Why work at Teleon?

- Permanent employment contract in a future-proof company
- Varied and responsible position in an innovative industry
- Flexible working hours and option for mobile working
- 30 days of vacation
- Individual internal and external training opportunities
- Attractive social benefits such as capital-forming benefits, subsidized company pension scheme, Deutschland-Ticket
- Working in a motivated, collegial team
- Flat hierarchies and short decision-making processes

The organization

Teleon Surgical is a dynamic, innovative company specializing in state-of-the-art Intraocular Lenses and accessories for eye surgery. We have a dedicated team of 170 international professionals working at our three locations in Spankeren (near Arnhem), Berlin and Leverkusen. Our long experience of over 30 years in the intraocular lens industry, coupled with our own in-house R&D division and state-of-the-art production facility in Spankeren, makes us a leading player in the development of technological solutions for eye surgery.
