

We are hiring!

Are you ready to play a key role in driving impactful projects where technology and business come together? Do you want to contribute to an international, fast-growing, and dynamic company that strives every day to improve vision for people? And are you familiar with the complexities of supporting and coordinating multidisciplinary projects? At Teleon Surgical, located in Spankeren (near Arnhem, the Netherlands), we are looking for a

PMO Officer

What will you do?

As a PMO Officer in the Medical Device Industry, you play a pivotal role in supporting and professionalising the project- and change portfolio. You ensure structure, transparency, and progress across projects that contribute to the development, manufacturing, and regulatory compliance of medical devices. Another key aspect of your role is coordinating and overseeing the Change Process.

Who are you?

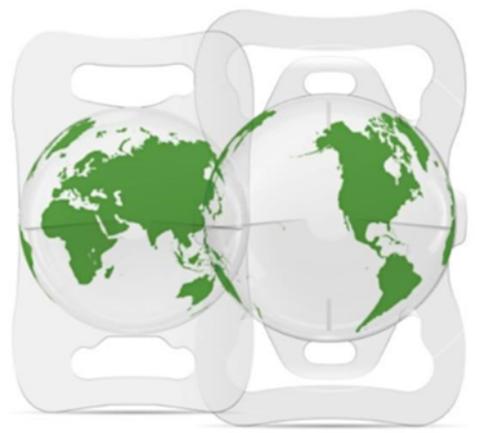

- Bachelor's degree, or equivalent level of thinking
- Experience in PMO, project support, and/or change management
- Preferably experience in a regulated environment (Medical Devices, Pharma, Life Sciences)
- Knowledge of project management methodologies (e.g., PRINCE2, Agile, or similar)
- Affinity with Change Management and documentation processes
- Strong organisational skills and attention to detail
- You communicate effectively across technical and managerial levels
- You are fluent in English and Dutch

What do we offer

- A dynamic role in an innovative and highly regulated industry
- Collaboration within multidisciplinary and international teams
- Opportunities for professional development and growth
- A team of enthusiastic professionals ready to build success together

The organisation

Teleon Surgical B.V. is a dynamic, innovative company specialising in state-of-the-art Intraocular Lenses and accessories for eye surgery. We have a dedicated team of 185 international professionals working at our two locations in Spankeren and Berlin. Thanks to our long experience of more than 35 years in the intraocular lens industry and our own in-house R&D division and state-of-the-art production facility in Spankeren, we are a leading player in the development of technological solutions for eye surgery.

Curious, but need more information?

Then contact Geert Verhoeven (Portfolio Manager) at +31 (0) 313 214 212 or Annette Hagenbeek (HR) at +31 (0) 616138956 or email your questions or application to jobs@teleon-surgical.com. Will you be the next member of our enthusiastic team?
