

We are hiring!

Have you always wanted to work in the Medical Device industry? Teleon; an international fast-growing, dynamic company that strives for better vision for patients every day, is looking for you. Do you want to work at the most sustainable company in the East Gelderland region with an excellent working atmosphere? Then read on, because we are looking for a Regulatory Affairs professional.

Regulatory Affairs professional

Your role

Together with the Regulatory Affairs team, you are responsible for carrying out and maintaining global registrations of our products. You prepare registration files and maintain the registrations. You also inventory legislation and regulations and monitor compliance with laws, regulations and guidelines. You will also support the Quality Affairs, Clinical Affairs, Research and Development and Engineering departments. Because of your drive, you think along with the organization and make improvement proposals in the field of Regulatory Affairs.

Your profile

You stand for compliance. With your analytical skills you ensure that products are registered correctly and that legislation and regulations are complied with. You have an eye for quality and detail and enjoy working on several projects at the same time. Do you also have at least 3 years of demonstrable work experience with registrations of medical devices, HBO working and thinking level and do you master the English language, spoken and written? Then you are a great addition to our team!

If you have other qualities that may be applicable, we would be happy to discuss them with you.

What we offer

At Teleon, we value development. Not only of our innovative products but also of our employees. We are therefore proud to offer all our employees the opportunity to grow and develop further as professionals. This is one of the many reasons why so many of our employees enjoy working here and are building long and successful careers with us.

Why work at Teleon?

- A challenging job with an innovative employer.
- An excellent working atmosphere and an active staff association.
- An appropriate monthly salary plus 8% holiday allowance.
- 30 days of vacation + option to purchase.
- A variable bonus of up to 10% of your total annual salary.
- A good pension scheme with low salary deductions.

The organisation

Teleon Surgical B.V. is a dynamic, innovative company specialising in state-of-the-art Intraocular Lenses and accessories for eye surgery. We have a dedicated team of 170 international professionals working at our three locations in Spankeren (near Arnhem), Berlin and Leverkusen. Thanks to our long experience of more than 30 years in the intraocular lens industry and our own in-house R&D division and state-of-the-art production facility in Spankeren, we are a leading player in the development of technological solutions for eye surgery.

Curious, but need more information?

Then contact Anke Tuinstra (RA Officer) on +31 (0) 313 725 632 or Kim Konings (HR) on +31 (0) 313 725 652 or email your questions or application to jobs@teleon-surgical.com. Will you become the next member of our enthusiastic team?
