

We Are Hiring!

Join Teleon as our new

Regulatory Affairs Professional Location: Berlin

Where innovation, sustainability, and impact Come together.

Are you an energetic and experienced Regulatory Affairs professional with a passion for medical technology? Do you want to make a real difference in patients' lives while working for a fast-growing, international, and sustainable company? Then this is your opportunity!

Your Role

In this key position, you will be responsible for maintaining global product registrations and ensuring compliance with international regulations. As a valued member of our Regulatory Affairs team, you'll collaborate closely with colleagues from Quality, Clinical Affairs, R&D, and Engineering to support our innovative products.

Your main responsibilities

- Manage and maintain international product registration files.
- Prepare, submit, and update regulatory documentation.
- Monitor relevant legislation and regulatory changes, ensuring full compliance.
- Advise and support internal stakeholders on regulatory matters.
- Proactively identify and implement improvements in regulatory processes.

Who are we looking for?

We are seeking a driven, communicative, and detail-oriented professional who brings structure and energy to our team. Ideally, you have:

- At least 3 years of experience in Regulatory Affairs within the medical device industry.
- A degree (Bsc or Msc) in Biomedical Engineering, Chemical Engineering, or a related technical field.
- Excellent command of English, both spoken and written.
- A keen eye for detail and the ability to manage multiple projects simultaneously.
- Strong communication skills and a proactive, energetic mindset.

What can you expect from us?

At Teleon, we offer more than just a job — we provide an environment where you can grow, thrive, and feel valued:

- Professional development: tailored training programs and learning opportunities.
- Work-life balance: flexible hours, option for mobile working (2 days), and 30 vacation days
- Attractive bonus scheme: possibilities to earn a bonus up to 8% based on collective sales results.
- Attractive social benefits such as capital-forming benefits, subsidized company pension scheme, choose: Deutschland Ticket or Meal Tickets
- Great team spirit in our motivated, collegial team

Interested?
