

@ APACRS 2022 | 11 -12 June

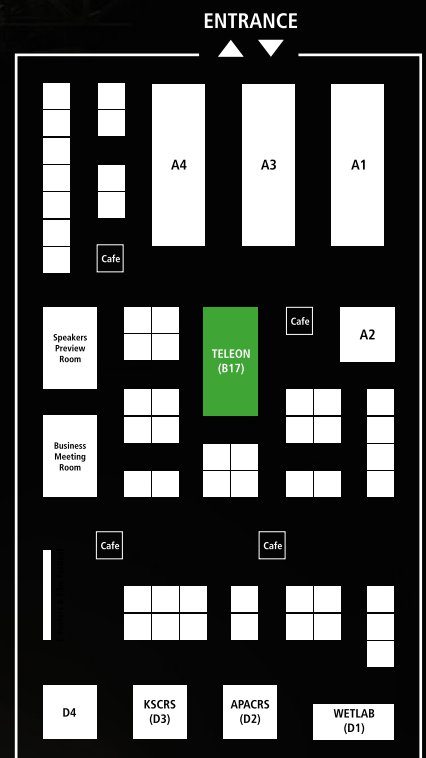

TELEON – YOUR ULTIMATE IOL POWERHOUSE

With the LENTIS® and FEMTIS® IOL Brands, Teleon offers state-of-the-art cataract and refractive IOL-solutions. As one of the few remaining independent IOL manufacturers worldwide, having own in house R&D and recently inaugurated, state-of-the-art production site, you can rely on 30 years of experience and expertise in the IOL industry.
